Abstract (en)

[origin: WO2006016088A1] The invention concerns a sheet material, characterized in that it incorporates at least one knitted structure (3). The invention also concerns a document and a base fabric comprising said sheet material, as well as a method for making said material. The invention further concerns a knitted structure comprising at least one authenticating and/or identifying element, as well as a method for authenticating and/or identifying a document or a knitted structure.
