Abstract (en)

[origin: EP1780348A2] Prefabricated unit (14) has three layers whereby first layer (22) consists of sealing sheet and second layer (18) consists of thermal insulation material. Third layer (16) has a concrete whereby the second layer is arranged between the first layer and third layer and the three layers are connected. Independent claims are also included for the following. (1) Method for manufacturing prefabricated construction part; and (2) Use of prefabricated construction part.
