Abstract (en)
The device (100) has a manipulation safe collecting container (50) that is provided for receiving a set of tipping notes. The collecting container comprises a drawing device (20), a controller (40) and a marking device (60). The marking device is secured against manipulation, where each of the tipping notes is provided with a marking based on which a respective tipping note is allotted to a determined draw of the drawing device. An independent claim is also included for a lottery method.
