Abstract (en)
[origin: WO2006012572A2] A compact portable, self contained digital media player is provided whose content is not recordable or removable by a user. The content is reproduced in a high fidelity format. The binding of the content to the media player results in a significant degree of copyright protection. The compactness of the player enables binding of the player with various products. Also, the binding of content enable its instant playability.
