Abstract (en)  
[origin: WO2006021738A1] A golf club holder particularly suitable for a putter comprising an elongate body having a club receiving passageway extending longitudinally therethrough, the said passageway preferably being slotted longitudinally from end to end to provide a somewhat narrower neck opening, through which in use, a narrow end of a tapered club shaft can pass to slip down so as to be retained within the passageway by a wider end of the said shaft, the said body being adapted for attachment to a frame member of a golf cart or trolley by straps or the like.
