Abstract (en)  
[origin: EP1801513A2] The housing has a rear wall, a left side wall (12), a right side wall (13), a base, a top side and a front that are connected by adhesive joints, formed of plywood layers and receiving corresponding detachable covers (21, 23, 25) for forming inspection openings (20, 22, 24). Cross beams are connected by cementing and riveting for the formation of partitions (36, 43) and for unit admission in an inner area of the housing.
