Abstract (en)

[origin: US2006160602A1] A system and method for facilitating the play of instant lottery games is disclosed. Example embodiments of the claims system and method may receive a set of presentations for an instant lottery. The set of presentations may be associated with a prize pool. Each presentation in the set of presentations may be associated with a respective outcome in the prize pool. A presentation from the set of presentations may be transmitted to a terminal. The presentation may be used to print a ticket or display an electronic ticket to a game player.
