Abstract (en)

[origin: EP1854936A2] The plaster border (10) has a region (16), which is invisible in the finished state from the outside. Another region (18) is visible in the finished state from the outside and its larger part consists of plastic. The plastic is transparent like glass. A main part (12) contains part of the both regions and is produced by co extrusion of one plastic and a transparent, another plastic.
