Abstract (en)

[origin: WO2006093475A1] This invention concerns, instant ignition of gases with gas ignition device integrated with socket cover. Is described by Integration of High voltage transformer unit (11) and electronic circuit unit (10-10a) and their installation into the box (2-2a) and eventually filling insulation material (9) in to the box (2-2a) from Holes for filling insulation material (8).
