Abstract (en)
[origin: WO2007131543A1] The invention relates to an electrical feed (10), in particular a CEE feed, for the external electrical supply of the electrical supply system of a mobile load, in particular a caravan or a camper or a boat. This feed (10) comprises a) a flange (11) for attaching the feed (10) to and/or in a wall of the mobile load and b) at least one feed plug (12) for making electrical contact with a coupling, in particular a CEE coupling. The invention provides that the feed plug (12) is arranged rotatably in the flange (11).
