Abstract (en)

[origin: EP1880634A1] The table has a workbench plate attached over a console (2) with a height adjustable part (3) by columns. The console has a connection plate and carrier device (6), where connection plate is provided with a retaining plate (14) for mounting the carrier device at the console. The carrier device has a base plate (16) on which the display screening desk plate is connected with a mounting plate (17). The connection plate of the carrier device is attached to certain part of the lifting equipment, where the display screening desk plate has height adjustable part.
