Abstract (en)

[origin: WO2007013109A1] This invention consists of a natural food of exclusively vegetable origin, which has a perfect nutritional balance, giving such a quantity of proteins as to constitute a single meal. The different kinds of flours used, such as chick peas, nut, almond flour, make this food a complete meal, even if used like traditional pasta, as it holds proteins and therefore essential amino acids, vitamins, essential fat acids, micro and macro elements well balanced. It is easy to digest and has a pleasant taste.
