Abstract (en)

The article has links for retaining or locking a foot or shoe and including a covering section (70) covering the foot or shoe. The covering section has a monoblock frame (120) and comfort element (140). The comfort element includes synthetic material e.g. polyurethane, molded on the frame. The frame includes beams and bridges forming a circumference around a traversing central opening.

Abstract (fr)

Article (1) comprenant un lien (51) de retenue ou de serrage d'un pied ou d'une chaussure, le lien (51) comprenant un tronçon de couverture (70) du pied ou de la chaussure, le tronçon de couverture (70) comprenant une armature (120) et un élément de confort (140). L'élément de confort (140) comprend une matière synthétique moulée sur l'armature (120).
