Abstract (en)

A ground surface access assembly 10 includes a base frame 12 defining a base frame opening 14 and a cover 30, which is mountable in a first configuration in use to the base frame 12 in the base frame opening 14. The assembly 10 includes a raising frame 52 defining a raising frame opening 56. The raising frame 52 is mountable in a second configuration in use to the base frame 12, the cover 30 being mountable in the second configuration to the raising frame 52 in the raising frame opening 56.
