Abstract (en)

[origin: EP1953115A2] The display arrangement has a drive unit (10) and a load unit stand containing a lifting frame, with which a transparent screening grid (18) is attached at a lifting frame (12). A flat display element is attached at the screening grid. The signal lines of the flat display element are guided to a controller of an industrial truck. The screening grid is made up of plastic or glass.
