Abstract (en)
[origin: WO2007067769A2] A system and method are provided for playing a game of chance. The game of chance may include, for example, a lottery-type game. A result of the game of chance is revealed to a player in another medium. In one example, the result is revealed during multiple game instances of one or more online games. In one example, the online game includes a dice game in which the result is revealed. In another example, the dice game is coupled with a second level game in which at least a portion of the result is revealed.
