Abstract (en)

[origin: WO2007079150A2] A system and method are provided for playing a game of chance. The game of chance may include, for example, a lottery-type game or a Keno game. A result of the game of chance is revealed to a player in another medium. In one example, the result is revealed during multiple game instances of one or more online games. In one example, the online game is a bingo game. In another game example, a competitive game environment is provided wherein multiple players play a single instance of a bingo game to reveal the players' individual results.
