Abstract (en)

[origin: EP1982849A1] The tire has profiled running stripes, tire belt assembly (2), an inner layer (4) and side walls (8), and a reinforcement profile (9) attached within an area of the side walls. The reinforcement profile extends over the length of the side walls in large part, and has a reinforcement layer (10), formed contour parallel to the reinforcement profile. The reinforcement layer has strengthening supports, which are arranged in parallel to one another. The strengthening supports are arranged at an angle of ninety degrees to a radial direction.
