Abstract (en)

[origin: WO2007084565A2] A musical instrument case and a guitar case and a drum case with a pliable outer shell (5) and with an inflatable bladder system (22) permit protected storage and transportation of the items. The outer shell (5) may be made of woven ballistic fabric (7) with an inflator (21) and a deflator (38) internal to the outer shell (5) and may have a surface protective liner (34) between the inflatable bladder system (22) and the item for protection.
