Abstract (en)
[origin: WO2007114551A1] The present invention relates to a mascara package with a heating body which can shape eyelashes while applying liquid mascara. The mascara package with a heating body comprises a container that contains liquid mascara; a handle that is coupled to the container and has a battery mounted therein and a switch installed thereon, the switch controlling the supply of power; a brush rod that is formed in the lower end of the handle and has a heating body built therein, the heating body receiving power from the battery so as to emit heat; and a heat-emission coating section that is formed in the lower end of the brush rod and receives heat from the heating body so as to emit heat.
