Abstract (en)
[origin: EP2034568A2] The box (10) has a connection terminal block with connection terminals e.g. soldering-, screwing- and stripping-free connection terminals, for fitting cable conductors, and RJ45 connectors (20a, 20b) with connector for contacting data cable plugs. A connection unit has a contact pin and a contact bushing to provide electrical connection of the terminals and the connector contacts. The terminals are arranged in the terminal block in circular shape. The terminals are arranged at a passage opening in the terminal block in circular-shape.
