Abstract (en)
[origin: EP2039262A2] The portable luggage item has an inner space in which two broad side sections, two narrow side sections (2), a base section and an upper section are defined. Two rollers (6) are arranged at a distance from each other. An adjustable grip design (7) has a linkage arrangement, which is connected with a narrow side section or with both the narrow side sections or with a broad side section without a carrying strap system (5).
