Abstract (en)

[origin: EP2050512A2] The cover has a velour fiber (52) with fibers (48, 50) at an outer side. The fibers have a polyamide- continuous yarn (40). The continuous yarn is led around fabric threads (34, 38) in a zigzag manner for forming the velour fiber. The yarn has fiber pieces (61) with length of 80 millimeter, where the fiber pieces are divided during cutting by a cutting device to form shorter fiber pieces from 10 to 20 millimeter of length.
