Abstract (en)

[origin: US2007155469A1] The provision of a paragaming event on an electronic gaming machine is provided by intercepting a cashout event, identifying the account balance and presenting an offer to participate in the paragaming event. If the customer agrees, the account balance is appropriately reduced and a voucher is followed by a cashout event is initiated to maintain a record of the transaction. A cash voucher and a transaction receipt are then printed for the customer.
