Abstract (en)

[origin: DE102007006315A1] The container (3) has a front wall (7) attached to a profiled front part (8). Left and right edge areas and an upper edge area of the front part laterally project above the front wall. The front part has an inner side that lies directly on an outer side (7a) of the front wall. The front part has another inner side and is arranged at the outer side spaced at the front wall in sections. Two strips are arranged and spaced to each other at the former inner side. Opening and lateral projections of the front part have rib-like bars.
