Abstract (en)

[origin: WO2008141699A1] The invention relates to an assembly method (R, V) for a printing group (1, 2) on a printing press, the printing group (1, 2), comprising a chassis (9), a printing carriage (7), which may be placed inside and fixed to the chassis (9) and a doctor system (14), independent of the printing carriage (7) which may be fixed to the chassis (9), said method comprising the following steps: installing the doctor system (14) on an empty transport device (16), move the transport device with said doctor system (14) into said frame (9), fix said doctor system (14) to said chassis (9), remove the empty transport device (16) to outside said chassis (9), move said printing carriage (7) into said chassis (9) and fixing said printing carriage (7) to said chassis (9).
