Abstract (en)

[origin: EP2174877A1] A box formed from a single cardboard piece, having a breakable knurling (20) bounding a portion (1A) removable from the box and having a mirrored surface. The box can be used to contain plasters or pharmaceutical or cosmetic products applicable to the face of a user who is able to use said mirrored portion (1A) extracted from the box to clearly view that point of the face on which the plasters or products are to be applied by the user.
