Abstract (en)

The invention relates to a packaging manufactured from a single blank (1) for at least one product, comprising: a plurality of outer wall parts (10,11,13,14,15,16); two product-holding wall parts (31,32) directed toward each other and extending inside a space enclosed by the outer wall parts; and positioning wall parts (41,42); wherein the product-holding wall parts each transpose into an outer wall part via a positioning wall part. The invention also relates to a blank for manufacturing such a packaging and an assembly of the packaging with a product held therein.
