Abstract (en)

[origin: EP2186447A1] The mattress has a mattress core provided for two-sided couches, whose length and width correspond to the dimensions of a desired couch surface and whose height forms a fraction of the length and width. The mattress has a mattress cover (1) which forms two couch sides with two material plates (2,3). The longitudinal sides (4) have a central covering fabric strip (8), on which a ventilation strip (9) is connected to the two couch sides.
