Abstract (en)

[origin: EP2186462A2] The system comprises two vacuum cleaners, which are equipped with dust areas. The receivers of the dust areas and the dust collection bags (73) are provided with labels (731,1011). The receiver of the former dust area and the dust collection bag fitted at the former dust area carry identical labels, which differ from the identical labels at the receiver of the latter dust area and the bag fitted at the latter dust area.
