Abstract (en)

The arrangement has a ground marking delimiting locations (14k, 16l, 17a-17c), where the locations are separated from each other. Obstacles are set on the ground, and ground markings (52b, 53b, 54b) are utilized for forming marks specifying the locations of the obstacles, so as to place the obstacles in the respective location, where the obstacles are varied in height and length. The ground markings are printed on ground-sheets (1-3) for representing the locations of feet. An independent claim is also included for an equipment for implementing an arrangement to maintain and/or evaluate a physical condition of a person in an institutional medium.

Il comprend également plusieurs obstacles de hauteurs différentes ainsi que des marquages au sol (52a, 52b, 53a, 53b, 54a, 54b) formant des repères spécifiant les emplacements de ces obstacles.
