Abstract (en)

[origin: WO2009032897A1] A multi-pack of packages of individually packaged products wherein there is a plurality of products packaged in individual paperboard cartons, the paperboard cartons being devoid of applied indicia like printing or coloration applied to the paperboard prior to carton forming. There is no printing of logos, trademarks or other product information prior forming the carton. The cartons do have a product identification that is embossed or debossed into the paperboard material of the cartons. The individual cartons are placed in a stack of two to twenty or more cartons and wrapped with a thermoplastic film material. The thermoplastic film material contains the required product indicia like colors and other decoration and product logos and trademarks.
