Abstract (en)
[origin: EP2226782A2] The flags, the banners and the like are made from four (1'-2'-2"-1") (or more) sheets placed one on top of the other, of which the two inner ones (2'-2") form an opaque yet flexible barrier; the two outer sheets (1'-1") are made from a single piece (1) folded along its midline (3), and which is fitted over the inner sheets (2'-2"). The printing of the image (I 1) and/or text on each side of the outer sheets (1'-1") is always legible correctly oriented.
