Abstract (en)
[origin: EP2241703A2] The jewelry element (10) has a base part (14), which is firmly connected with a memorial stone (16). A hinged part (12) is tiltably connected with the base part, and is moved from a position to another hinged position. The hinged part is arranged parallelly to the base part in a former position, and is arranged vertically to the base part in the latter position.
