Abstract (en)

[origin: WO2009128799A1] There is provided a system (200) and method (400) of displaying video content. In a method (400) in accordance with an exemplary embodiment of the present invention, a native aspect ratio of the video content is determined (404) and an optimized viewing format is selected (406) from a plurality of viewing formats based at least in part on the native aspect ratio of the video content. The video content is displayed (408) in the optimized viewing format.
