Abstract (en)
[origin: EP2283743A1] The furniture (1) has lateral wall (10) arranged under a cassette enclosing a deformable curtain (5). An external face of an upper wall (3) has imprints (3.3, 3.6) for receiving a finish plate (9), in case of utilization of the furniture into a single module or constituting a lower wall (2) of the furniture, in case of utilization of the furniture into superimposed modules. Top and bottom parts of the upper wall have rapid fixation units, where one of the fixation units forms a part of one of the imprints of the external face of the wall.
