Abstract (en)

[origin: WO2009152629A1] The invention relates to an adapter set (11). The adapter set is made up of a plug part (13) and a socket part (15). The plug part (13) is provided with at least one three-pole plug contact (20,30,40,50) of a particular country standard at one end and a three pole safety plug socket (17) at the other end of the adapter set (11). The socket part (15) is provided with a three-pole safety plug (19) and a three-pole multi-way plug socket (16). The adapter set (11) comprises one single safety plug (19), namely the plug formed on the socket part (15). It is provided that the polarity of the multi-way plug socket matches the polarity of the plug contacts.
