Abstract (en)
A bag (10) is provided for carrying personal items such as money, keys and train tickets. The bag is expandable, having one or more collapsible portions (26,28) about a main chamber which unfold into an extended position thereby providing additional volume for further personal items as and when required. The bag (10) may be carried in a number of different ways by the user and when any straps are not required, a sleeve (52) is provided for their concealed stowage.
