Abstract (en)

[origin: EP2341004A1] The present invention is a protective buffer (20) which is used in the packaging of household appliances with legs (12) and which is placed at least to a lateral surface of the household appliance. Said protective buffer (20) comprises an elongated portion (21) extending from the household appliance base towards the ground along the legs (12), and leg housings (22) which are embodied on said elongated portion (21) and wherein the legs (12) are placed.
