Abstract (en)
The self-adhesive notepaper holder of the present invention provides a holder body (1) that combines with a ruler (2); the holder body is hollow and provided with a holding space(10) to accommodate a draw-off notepaper (3); at least one groove is provided on the surface of the holder body for output of the draw-off notepaper; the holder body and the ruler are prefabricated, several partitions may be provided within the holding space to accommodate several draw-off notepapers, and closed by cover (4); with this combination, users can conduct office work more efficiently and freely while recording, labeling, and leaving messages.
