Abstract (en)

The structure has a transport container (1) for storing and transporting the parts, where a tent extension, is attached to the transport container. A solid floor of the tent extension, and transport container form an enclosed space. A side wall portion of the transport container folded outward is permanently attached to the structure. An independent claim is also included for a method for manufacturing a structure.

Abstract (de)

Die Erfindung betrifft ein mobiles Gebäude aus einem Transportcontainer und einem Zeltanbau mit vollständigem Außenabschluss und festem Boden.
