Abstract (en)

The value document (1) has an elongated security element (2), where the security element has a machine-readable coding which is formed for center line of the value document relative to the longitudinal axis or transverse axis of the value document in a mirror-symmetric manner. The machine-readable coding has magnetic material. The security element is a strip or a patch. An independent claim is also included for a method for manufacturing a value document.

Abstract (de)

Wertdokument mit einem länglichen Sicherheitselement, wobei das Sicherheitselement eine maschinenlesbare Kodierung aufweist, die zur Mitte des Wertdokuments hin bezogen auf die Längsachse oder Querachse des Wertdokuments spiegelsymmetrisch ausgebildet ist.
