Abstract (en)

[origin: EP2428941A1] The alarmed piece fence section (100) has a frame and a lattice mat (20). The lattice mat is formed by wave-like mold pipes or filling rods. The pipes and filling rods are merged with each other and are arranged horizontal and vertical manner. The lattice mat is enclosed with three edge area in the frame. An independent claim is also included for a fence system with a fence post.
