Abstract (en)

[origin: EP2447425A2] The cover (170) has a centering element (190) that is arranged in position relative to a side wall (121) of a basin outlet (106). A punchdown portion and a closure element (138) are arranged relative to the basin outlet. A stabilizing element (194) is arranged in the same angle position as the centering element. An independent claim is included for strainer basket.
