Abstract (en)
[origin: WO2011003738A1] The invention relates to a catch fitting for a pull-out guide, in particular for drawers, comprising a switching curve (20) in which a switching element (10) is displaceably mounted, wherein the switching curve (20) comprises a loop-shaped segment (23) having a catch depression (26). The switching element (10) can be engaged with the catch depression (26) by a force storage (63). An initiator (30) is provided, by means of which the switching element (10) can be displaced out of the catch depression (26).
