Abstract (en)
[origin: EP2476339A1] The writing table (10) has a writing table surface (12) with a front edge (14) and a rear edge (16), and a cable transit opening (26) at the rear edge of the writing table surface. A cable insertion slot (24) extends through the writing table surface and has two partial sections running angularly to each other. The rear edge of the writing table surface is made of a translucent material, particularly plastic material.
