

Title (en)

Shelf system based on flat shelf elements that interconnect with each other - without the use of any tool - to form a modular system of L-shaped shelves that can be added to each other to form a larger shelf

Title (de)

Regalsystem aus flachen Regalelementen, die miteinander ohne Hilfsmittel verbunden werden können, um ein modulares System von Regalen in L-Form zu bilden, die zusammengefügt ein größeres Regal bilden können

Title (fr)

Présentoir basé sur des éléments d'étagères plates qui interagissent entre elles - sans l'utilisation d'outils - pour former un système modulaire d'étagères en forme de L pouvant être ajoutées les unes aux autres afin de former une plus grande étagère

Abstract (en)

A shelving system consisting of a single and only type of piece for the assembling of medium to large shelf for domestic use. Several pieces slide, interlock and overlap to form a large shelving element. The system does not need tools for its assembly. The shelving system is intuitive and simple in its assembly.
