Abstract (en)  
[origin: EP2500983A2] The electrical assembly has a support plate (2) having contact regions (51,52) which are spaced apart from a plate edge (22), and a direct plug-in element (3) having a housing (30) comprising direct contacts (31,32). The contact regions are exposed on the support plate. The point contacts (310,320) are provided in the direct contacts and are in contact with contact regions of support plate respectively.
