Abstract (en)

[origin: CN201708061U] The utility model relates to installation switchgear with an arc extinguishing device, in particular to installation switchgear (10) with an insulating casing (11) and an arc extinguishing device (12). The arc extinguishing device (12) includes an arc extinguishing stack and a front chamber defined by at least one front chamber board (14). A fixing pin (15) is arranged in a front chamber area of the insulating casing (11), a fixing hole (16) is arranged on the front chamber board (14), and the fixing pin (15) is connected into the fixing hole (16) so as to fix the front chamber board (14) onto an inner wall (11) of the casing.
