Abstract (en)

[origin: WO2011082252A1] A system and method are provided to allow gambling establishments to create new and innovative ways to attract new players, drive players at particular games on the gaming floor, educate players to new games, keep players engaged in these games for an extended period of time, extend and enhance these games in an integrated way in order to provide a greater level of excitement, evoke positive emotions and experiences that ultimately promote higher durations of engagement and play.
